

Oven Baked Steak Fajita Quesadillas

Yield: 4 min
Total Time: 40 min

Recipe from: <https://www.recipeschoose.com/recipes/beef-strips-mexican-recipe>

Ingredients:

- 1 1/2 pounds beef strips I bought mine already cut up at the store; if you can't find it, buy a skirt steak or flank steak and cut it...
- 1 container peppers pre-cut, and onions, again I bought this in the produce section; you can always slice peppers and onions if needed
- 1 packet fajita seasoning
- 8 tortillas large size
- shredded cheese Mexican blend
